

Infant of Prague MONTHLY FOOD DRIVE

Kids did you know that many people in your community go without food each day? These people could be your neighbor, your classmate and even your best friend. Our church helps many families with food from our Food Pantry each month. How? By donations from members of the Church, donations from people just like you. You can help us to keep these families fed by donations of food items.

Beginning **August 11th** and On the **2nd Sunday of each** month we are asking children to bring donations of non-perishable food items to Church with them. These items will be brought to the altar by you the children at the offertory during the Mass.
