

### **KING OF KINGS FOOD PROGRAM:**

A number of years ago we began the “Angel Food Ministries” food assistance program for our parishioners in need, providing 20-25 boxes of food to families in our parish each month. After a number of years this program dissolved and we began using “One Harvest Food Program”, which also dissolved. After many days and hours of search the internet we were blessed to find “King of Kings Food Program”. This program is available to everyone and the monthly menu can be accessed on their website. As you can see this is a great value for any family, offering various types of boxes and prices based on your needs.
