

Recent update – As you all well know our Parish has been working/planning to repair the Church Beams. During the past several months our Parish has requested and received a number of repair bids to fix our Church Beams and in the July 2017, the Diocese signed a repair contract with Carolina Restorations and Waterproofing (CRW) to fix them. The present schedule for these repairs to begin is 16 August 2017, so in just a few weeks we will begin to see contracting personnel and equipment in and around the Church and Parish grounds. Since the repairs of our Church Beams will require a large and complex support system, we will not know how much the repair efforts will interfere with the operations of the Church. The intent of the Pastor has been to continue to use the Church if at all possible, but no contractor would guarantee this to our Parish. So once the support system is installed over the Altar in the Church, we will have a better idea how Mass will be effected and whether or not we will have to move to the Parish Hall and/or the Gymnasium. Please remain patient, understanding and prayerful as we move forward in our Journey in Repairing God's House. Updates will be forthcoming.

RGH FUNDRAISERS:

Fifty Plus Fall Fundraiser to Repair God's House: This month, we begin our fall fundraiser to Fix The

Beams. As a small part of Repair God's House, the money we raise will help. We ask all parishioners to support the raffle of a iRobot 960 Roomba. Tickets for this are \$ 2.00 each, or 3 for \$5.00. Save time with home cleaning by letting the robot do the job. This makes a good wedding gift, a house

warming, or for your own home! Tickets will begin to be sold at the 50 Plus meeting on August 9th and then on August 19th after the Masses. The Roomba will be given away at the Parish picnic on September 24th. If you are available to help sell tickets or can help after one of the Masses with ticket sales, please call Pat Smith at 346-9787.

The Catholic Daughters of the Americas, Court 1643, will be holding a Bake Sale, in the Parish Hall, on August 27, 2017, after the 8:00 and 10:30 Masses. The proceeds will be used "To Repair God's House," and for our other charities. Please join us for "Coffee and Donuts," and select a dessert for your Sunday dinner.
